PAIN, PAIN, PAIN, STOP NEURALGIA

Rub nerve torture, pain and misery right out with "St. Jacob's Oil."

You are to be pitied—but remember that neuralgia torture and pain is the easiest thing in the world to stop. Please don't continue to suffer it no longer. Get from your druggist the small trial bottle of "St. Jacob's Oil," pour a little in your hand and gently rub the "tender nerves" or sore spot and instantly—yes, immediately—all pain, ache and soreness is gone.

"St. Jacob's Oil" conquers pain—it is perfect—simply and doesn't burn or irritate the skin. Nothing else can relieve so quickly. It never fails to stop neuralgia pain instantly, whether in the face, head or any part of the body. Don't suffer!—Adv.

GOVERNOR WILL REVIEW RETURNING INFANTRYMEN

To Witness Parade of Second Regiment From Stand at City Hall.

MAY REACH HERE TO-NIGHT

Arrival of Troops to Be Announced to City by Ringing of Fire-Alarm Bells Three Hours Before They Reach City.

BIRMINGHAM, Ala., Feb. 14.—Second Virginia making good progress on homeward stretch, left Birmingham at 6:30 o'clock this afternoon. Regiment well and eager to reach home.

S. R. MILLAR,
Lieutenant-Colonel.

Governor Stuart will review the Second Virginia Infantry on its arrival in Richmond, according to plan approved yesterday by the committee on reception of troops, which met in the Business Men's Club. The review will be held on the Broad Street steps of the City Hall, following a short parade from Boyd Street Station, where the regiment will detrain.

Exact information is reported to the newspaper by Adjutant-General Sallie, who says the regiment will come to Richmond, although the recommendation that it will do so is strong. There is a possibility, however, that the companies may be sent direct to their home stations to be mustered out of the Federal service.

FIRE-ALARM BELLS TO ANNOUNCE ARRIVAL

In event the troops come here, the returning belts will ring three hours before the time of arrival in order to let the city know to stand by to greet the boys from the north. The regiment, if given any sort of service at all, will probably march here to-night, in which event it will not detrain until to-morrow morning.

MEASURES FOR GOVERNMENT OF DANISH WEST INDIES

BILLS Favorably Voted on by Senate and House Committees—Probably Able to be Consolidated.

WASHINGTON, February 14.—A bill to consolidate the administration of the Danish West Indies will be in the hands of the Senate by the time of the next general election, the bill being "constitutional" and "presented constitutional." At the same time the people would, under the bill, vote for delegates to the convention election to be effective if the bill for the convention carries.

Final reading was given the Clark bill for remanding \$300,000 state bonds at 4 percent to cover 5 per cent bonds by counties for road building, and the measure goes to the Senate.

WOULD HAVE WOMEN VOTE ON SUFFRAGE QUESTION

House Bill Introduced in North Carolina House by Representative Gardner.

Introduced to the Times-Dispatch

CHARLOTTE, N. C., February 14.—Representative Ellis Gardner introduced a bill in the House today to extend the franchise to the women of the State through a unique process. If the women so petition in required numbers, he would have special boxes at the polls at the next general election, in which women of reputable character may register for suffrage and if as many as 30,000 women so vote in North Carolina, the State Board of Elections then shall proceed to order an election on an amendment to the constitution giving women the franchise.

The House received to-day a bill from Roberts of Bunnings, to confer authority on Asheville and West Asheville to permit women to vote in municipal elections. An effort to obtain immediate passage brought defeat.

The House voted, 90 to 11, for the Stabbs bill for a constitutional convention to be called, and the bill goes to the Senate. It would submit the measure to the people at the next general election, the bill being "constitutional" and "presented constitutional." At the same time the people would, under the bill, vote for delegates to the convention election to be effective if the bill for the convention carries.

Final reading was given the Clark bill for remanding \$300,000 state bonds at 4 percent to cover 5 per cent bonds by counties for road building, and the measure goes to the Senate.
